

Our Partners / Vendors

همکاران و تأمین‌کنندگان

During AGAHAN's implemented projects, the company engaged advanced international partners and vendors. آگاهان در پروژه‌های اجراشده با همکاران و تأمین‌کنندگان معتبر بین‌المللی همکاری داشته است.

Company	Country	Capabilities	Field of Cooperation	Industries	Type
SIAG S.P.A	Italy	Crane and rolling table supply for European steel companies such as Danieli	Material handling system / crane operation	Steel production / material carrying	EPC cooperation
SCHADE	Germany	Engineering and supply of reclaimers and stackers	Engineering & supply	Mine, metal, petrochemical material handling	EPC projects
PERT	Italy	Design and supply of MHS and rolling table	Basic/detail engineering, equipment supply	Steelmaking / rolling mill	Engineering & supply
PHOENIX	Germany	Supply of conveyor belt	Steel cord and sidewall belt supply	Material handling	Technical cooperation & supply
MOGENSEN	Sweden	Design and supply of vibrating screen and feeder	Supply of vibrating screen and feeder	Steel & mining	Technical cooperation & supply
FAM	Germany	Design and supply of MHS equipment	Ship loader, reclaimers, stackers	Metal, mine & petrochemical	EPC project
Air-Ecosystem	Italy	Engineering and supply of dedusting system	Wet dedusting key equipment	Metal & mine industries	Engineering & supply
MER Metallurgical Engineering	China	Lime rotary and vertical shaft kiln engineering and supply	Key equipment engineering & supply	Metal & mine, lime & dolomite	Engineering & supply
JÖST	Germany	Supply of vibrating screen and feeder	Supply of vibrating screen and feeder	Steel & mining	Technical cooperation & supply
MikroPul	Germany	Design and supply of Venturi wet scrubber	Wet dedusting key equipment	Metal & mine industries	Engineering & supply
