This is to inform you that 'Nexalis International Oil & Gas,' an Abu Dhabi-based company, has more than a decade of experience in the supply of Field Instruments and all kinds of Valves, serving; petrochemicals, mining, cement, steel & paper industries worldwide.

Nexalis International has achieved various benchmarks in executing complete projects from the design phase to Commissioning for renowned End-users worldwide.

Nexalis International is supplying various world class valve brands like; Parker Instrument Valves, CWT Canada, FBV USA, NSSL Italia, etc. to Middle East pioneer petrochemical companies such as Kuwait Oil Company (KOC), Oman Oil Explorer (OQ), Abu Dhabi National Oil Company (ADNOC), Turkish Petroleum (TPOA), Sohar refinery, Oman etc.

We would like to take this opportunity to introduce "Fidar Foolad Energy" company as our sales partner and local representative in Iran, credential details are mentioned below. FFE is well capable of front-end all sales and execution activities on our behalf and will be supported by the Nexalis Team in Abu Dhabi in terms of handling all kinds of technical, sales, and after-sales support.

Best Regards,

Nasir Rais
